

Notices and Disclaimers for Licensee’s Products – HEDIS MLD

TRADEMARKS

The registered trademark symbol should be applied to the first reference of each term below. At the bottom of the page where the registered trademark first appears there should be a footnote which includes the acknowledgement statement below, as applicable:

HEDIS®

The Healthcare Effectiveness Data and Information Set (HEDIS®) is a registered trademark of NCQA.

COPYRIGHT NOTICE AND DISCLAIMER

HEDIS® is a registered trademark of the National Committee for Quality Assurance (“NCQA”). NCQA holds a copyright in these materials and may rescind or alter these materials at any time. Users of the HEDIS Medication List Directory (“MLD”) shall not have the right to alter, enhance or otherwise modify the HEDIS MLD, and shall not disassemble, recompile or reverse engineer the HEDIS MLD. Anyone desiring to use or reproduce the materials without modification for an internal non-commercial purpose may do so without obtaining any approval from NCQA. All other uses, including a commercial use, or any external reproduction, distribution and publication must be approved by NCQA and are subject to a license at the discretion of NCQA.

The HEDIS MLD is provided “as is” without warranty of any kind. NCQA has no liability to anyone who relies on the HEDIS MLD.

The HEDIS MLD contains proprietary code values owned by third parties that are protected under federal copyright laws. All uses of the third-party codes may require a license from the copyright owner. NCQA disclaims all liability for use of the third-party codes.

NCQA used the 2024.06.03.24AA release of the UMLS® Metathesaurus®, published by the National Library of Medicine, Department of Health and Human Services (NLM) to produce this HEDIS MLD. Some material in the UMLS Metathesaurus is from copyrighted sources of the respective copyright holders. Users of the UMLS Metathesaurus are solely responsible for compliance with any copyright, patent or trademark restrictions and are referred to the copyright, patent or trademark notices appearing in the original sources, all of which are hereby incorporated by reference. Use of UMLS Metathesaurus data is provided under terms and conditions of the UMLS License Agreement (<https://uts.nlm.nih.gov/uts/assets/LicenseAgreement.pdf>).

The HEDIS MLD uses RxNorm, a standardized nomenclature and coding for clinical drugs and drug delivery devices, which is made publicly available courtesy of the U.S. National Library of Medicine (NLM), National Institutes of Health, Department of Health and Human Services. NLM

is not responsible for the HEDIS MLD and does not endorse or recommend this or any other product.
